## ● COFFEE TOUR

*Whether you are a coffee aficionado or just interested on this riveting culture, our bean-to-cup coffee experience offers a unique opportunity to explore rich coffee culture on the foothills of Mount Kilimanjaro.*

*Our entire Estate is organic certified and guests relish into the experience on a 3-hours immersive journey whilst you take a deep dive into the stages of coffee production. Our tour culminates in a tasting room where you will brew and discussing tasting notes from our farm grown sample. Kilimanjaro is a birthplace of coffee farming in Tanzania and experiencing this fascinating crop firsthand is a must-do experience.*

*Tour duration 2- 3 hours, \$15,- per person*

**KILIMANJARO**  
COFFEE LODGE

## **NATURE WALKS**

*Our guided nature walks traverse the perennial rivers, gorges, secondary forests, and community lands where the local chagga people practice subsistence farming. The secluded nature of our farm provides a calm space to rejuvenate and indulge in eco-therapy.*

*The tours are led by our local naturalist guide who possess a deep knowledge of the area and local community. The tour can be customized to guests' fitness level. This tour can be combined with village walk.*

*Tour duration 2- 3 hours, \$10,- per person*

## **BIRD WATCHING**

*Our location on biological transitional zone between Kilimanjaro's montane forest and savannah means we boast extraordinary diversity of birdlife including rare forest species like Yellow-breasted Apalis, Hartlaub Turaco, Cabanis's Greenbul etc. This tour is ideal for beginner's and specialists and it's led by specialist birding guide who will share his passion for our feathered friends.*

*Tour duration and price: tailor - made*

## **COMMUNITY VISIT**

*Our farm is surrounded by the Chagga people, the native and dominant tribe that call the slopes of Mount Kilimanjaro a home. Your guide will walk you through the charming villages where you will learn about their way of life, flora and fauna, visit a local school as well as various social projects our lodge has supported throughout the years. This tour can be combined with nature walk.*

*Tour duration 2-3 hours, \$10,- per person.*
